Ceramic Coating

Ceramic Pro coating application by certified Ceramic Pro installer.
Please see separate package and price sheets for details.

Ceramic Pro Service Packages

Ceramic Pro offers protection for both the underwater and above water parts of any boat. Ceramic Pro is a clear, non-yellowing, liquid nano-ceramic coating. When cured, this technology will transform itself on the surface to become a rigid, flexible super-slick glass shield, bonding to and protecting the substrate. Ceramic Pro is not chemically removable by high-detergent acids.

Sport

SPORT coating applied to the gelcoat and paint. Up to 6 months of protection.

Bronze

One layer of BRAVO coming applied to the gelcoat and paint. Up to 1 year of protection.

Silver

Two layers of BRAVO coating applied to the gelcoat and paint. Up to 18 months of protection.

Silver Plus

Three layers of BRAVO coating applied to the gelcoat and paint. MARINE coating applied on interior surfaces. SQUALL coating applied to windows. Up to 2 years of protection. (Includes everything above the water line)

Gold

Two layers of MARINE and one layer of BRAVO coating applied to the gelcoat and paint. MARINE coating applied on interior surfaces. SQUALL coating applied to windows. Up to 3 years of protection. (Includes everything above the water line)

Ceramic Pro Service Package
